Propose of Study. You are being asked to take part in a research study. Before you decide to participate in this study, it is important that you understand why the research is being done and what it will involve. Please read the following information carefully. Please ask the researcher if there is anything that is not clear or if you need more information.

The purpose of this study is to collect salient persons/vehicles images in real-world traffic scenes (e.g., campus, community, etc.), which will enable a comprehensive understanding of SOD in low-light scenes and benefit for detecting people/vehicles for autonomous driving at night.

Consent Form

1. I confirm that I have read the information for the study. I have had the opportunity to consider the information, ask questions and have had these answered satisfactory.	<input type="checkbox"/>
